## Every Child, Every Chance – With Youth, For Children

**Campaign Dates: August 10–19, 2025**  
**Organized by CRY – Child Rights and You**

### ■ ABOUT THE CAMPAIGN

Every Child, Every Chance – With Youth, For Children is a 10-day youth-led celebration organized by CRY – Child Rights and You.

**The campaign invites individuals aged 12 and above to use their creativity, empathy, and voice to reimagine childhood in India.**

Timed with India's 77th Independence Day, International Youth Day, and World Photography Day, this campaign brings together young people across the country to participate in activities rooted in storytelling, art, reflection, and advocacy - all with one shared vision:

**To help create a future where every child in India gets every chance to learn, grow, and thrive.**

### ■ Why is CRY organizing this?

CRY (Child Rights and You) has been working for over 46 years to ensure that every child in India enjoys their rights to education, protection, healthcare, and participation.
